1. Bidder's information, including official registered title, type of business, address, and contact person information.
2. A short description of the bidder and of past similar experience in supplying similar goods described in the Attachment A – Technical Specifications.
3. User's Guides, Manuals, Brochures and Technical details for goods.
4. Manufacturer's name, Country of origin, Brand, Model of goods.
5. Copies of at least five (5) contracts for supply of similar goods implemented during the last three (3) years.
6. At least three (3) years of verifiable practical experience in the field of supply of similar goods.
7. Certification that bidder is not owned or controlled in total or in part, directly or indirectly, by any entity of any government.
8. The bidder shall complete and sign the Representation and Certifications found in Attachments C to this document and include them with the bidder's quotation. Quotations that do not include these certifications will not be considered.
9. Bidder can submit proposal as a consortium of several companies or organizations from the Kyrgyz Republic or other foreign countries. The foreign partners must be within the geographic code 937 or 110, as defined by USAID. The prime offeror will be responsible for the main contract and deliverables.
10. Experience working with the U.S. Government funded projects is preferred but not a requirement.

## 3. SOURCE, ORIGIN AND NATIONALITY RESTRICTIONS

The USAID authorized geographic code for this Project is 937, encompassing the United States, the recipient country, and developing countries excluding advanced developing countries, with the exception of any country classified as a prohibited source. Additionally, the geographic code 110 applies. It is important to note that Bidders must be located within the authorized geographic code and not be classified as a prohibited source to be considered for participation in this procurement. Prohibited sources, as outlined by the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC), include countries such as **Russian Federation, Iran, North Korea, Cuba, Afghanistan, Iraq, the Balkans, Belarus, Burma, Yemen, Syria, Ethiopia, Zimbabwe, Somalia, South Sudan, Nicaragua, People's Republic of China, and Hong Kong**. Compliance with these requirements will be verified by the Contracting Officer. Local procurements should adhere to AIDAR 752.225-71 and ADS 311, while detailed source and nationality rules can be found in USAID regulation ADS 310, accessible at the following link: <https://www.usaid.gov/about-us/agency-policy/series-300/310>. Failure to comply with these provisions may lead to disqualification from consideration for award.

**Note: Bidders from the afore-referenced Geographic Code countries should reach out to Tetra Tech before committing to an offer at [pcabids@tetratech.com](mailto:pcabids@tetratech.com)** Offers not in compliance with the geographic code without prior written approval may result in disqualification of the bidder from

consideration for award.

#### 4. SUBMISSION OF QUOTATIONS
